Greca	750 mm	Dual Pack

Other profiles available on request.

### Sealants

**SEAL-ONCE Silicone Sealant** and **TREMfill Silicone Sealant** are special sealants compatible with Polycarbonate and are also ideal for use with all translucent sheeting.

Never use other types of sealants on Polycarbonate as they weaken the sheet and cause fractures.

### Anti-noise Tape for Polycarbonate

Self adhesive White Strip 25 mm wide x 3 mm x 20 metres per roll

### End Lap Tape

Black – 25 mm wide x 5 mm x 20 metres per roll

### Purlin Protection Strips

Profiled and flat fibreglass strips

### Polycarbonate Accessories - Capping and Flashing
